

NOTES ON ARRANGEMENT:

THIS SHEET SHOWS A SUGGESTED ARRANGEMENT FOR YOUR BOAT. IT HAS BEEN THOUGHT-OUT AND DEVELOPED AROUND OUR EXPERIENCE IN MOTOR YACHT CRUISING, BUT YOU MAY HAVE OTHER IDEAS YOU WOULD LIKE TO INCLUDE IN **YOUR** BOAT. CONTACT BRUCE ROBERTS DESIGN FOR INFORMATION ON CUSTOMIZING THE ARRANGEMENT TO SUIT **YOUR** REQUIREMENTS.

AS WITH ALL ARRANGEMENTS, IT IS A GOOD IDEA TO MOCK-UP THE ARRANGEMENT USING CHEAP PLYWOOD TO GET A FEEL FOR THE LAYOUT IN FULL SCALE. DOING THIS BEFORE CUTTING OUT YOUR GOOD JOINERWORK LUMBER WILL SAVE MONEY AND TIME!
