NOTES ON ARRANGEMENT:

THIS SHEET SHOWS A SUGGESTED ARRANGEMENT FOR YOUR BOAT. IT HAS BEEN THOUGHT-OUT AND DEVELOPED AROUND OUR EXPERIENCE IN CRUISING, BUT YOU MAY HAVE OTHER IDEAS YOU WOULD LIKE TO INCLUDE IN YOUR BOAT. CONTACT BRUCE ROBERTS DESIGN FOR INFORMATION ON CUSTOMIZING THE ARRANGEMENT TO SUIT YOUR REQUIREMENTS.

AS WITH ALL ARRANGEMENTS, IT IS A GOOD IDEA TO MOCK-UP THE ARRANGEMENT USING CHEAP PLYWOOD TO GET A FEEL FOR THE LAYOUT IN FULL SCALE. DOING THIS BEFORE CUTTING OUT YOUR GOOD JOINERYWORK LUMBER WILL SAVE MONEY AND TIME!
